

August 30, 2021

Well the virus has got us again, with the very high rate of new cases it seems only prudent for us to cancel our September 10 Alumni Banquet. Once more in the name of safety and health protection we are rescheduling our annual meeting to June 24, 2022.

The meeting will again be at The Pines near Seymour on Highway 31. Hopefully all of the virus issues will be behind us by then.

For those of you that have already submitted your registration fee for the September 10 meeting, we will be returning those fees to you. If however, you would like to donate your fee to the Association, please contact Mary Lou Nugent at 5130 N Kings Way, North Vernon IN 47265 or by phone at 812-392-0863. Otherwise your fee will be returned in a couple of weeks.

We apologize for the on-again, off-again inconvenience but some things are just beyond our control.

We would remind you that you can still check in to our website for the latest information and history of Paris, Lovett & Marion schools at www.pariscrossinghsaa.org/index.php. Our intent is to add information and pictures of interest from those who have attended any of these schools and are willing to share them with our other members.

If you have materials that you would like to share, please forward it to Louise Malcomb at 4270 S CR 550W, North Vernon, IN 47265. You can also contact her by phone at 812-320-7620.

We are always in need of volunteers to assist with organizing and conducting our annual meeting. In the past we have relied on a small group of folks to make it happen. However, our team numbers are diminishing as time goes by. We really need some of our other members to step up now in order to keep our annual gatherings going. If you have interest in participating, please contact Ray Hughes at 3635 W CR 400 S, North Vernon IN 47265 or by phone at 812-873-6749.

Even though we have not been able to have our annual meeting, we have continued awarding student scholarships. This year's winners were Riley Hyden who will be attending the University of Southern Indiana and his parents are Angie & Trevor Hyden. Daniel Hoffman who will be attending Vincennes University and his parents are Jeanette & Robert Hoffman. Emily Dewar who will be attending the University of Evansville and her parents are David & Susan Dewar.

If you have interest in contributing to the Scholarship Fund, send your donations to Mary Lou Nugent at the address and phone listed above.

Maintaining our mail list is a real challenge. We currently have approximately 220 names/addresses on our list. It takes an army of people to help us keep it current, but it still isn't always correct. Given our aging situation we really need everyone to help us out because things change rapidly.

It is our goal to communicate items of interest to our membership in writing to keep you abreast of happening's within the Paris, Lovett & Marion school community. Currently we are using the USPS system to convey this information. So we rely heavily on keeping our list current.
